 1. Service Structure / System (Naws Participation)

Mississippi (October 29-31 2010) Update:

We still need a flyer and a location.

Topics: Service Attraction (Kursten, Pete and Susan)
Building Strong Home groups (Henry, John and Rodney)

New Business:

Transition between Keith and Kristy: they will between them select a bank that services most if not all of the Regions that make up the SZF.

Much discussion regarding SZF participation in Conventions, Conferences, and Campventions. Sentiment was expressed that if these things take place, they should be in addition to the regular rotation of quarterly meetings and not in place of. It was also expressed that addicts who participate in SZF certainly have a right to participate simply as addicts in these events, and if they happen to provide attraction to SZF, cool!

Final Thoughts:

John from Midwest Zonal Forum shared information about his Zone's experience with becoming fully self supporting, reactions from Regions, etc. and also shared his thoughts and insight on the SZF's activities.
