I. Description of the Southern Zonal Forum

NA is a nonprofit fellowship or society of men and women for whom drugs had become a major problem. If you are new to our program, please come to a meeting and see us. Narcotics Anonymous is a program that works. We help each other stay off of drugs and become productive members of society again. After coming to NA, we realized we were sick people. We suffered from a disease from which there is no known cure. It can, however, be arrested at some point, and recovery is then possible.

We are located in the southern-central part of the United States. The geographical area of the Southern Zonal Forum extends from Richlands, Virginia, west over 1446 miles (2327 Kilometers) to Kerrville, Texas and from Brownsville, Texas, to the northern border of Missouri, which is 1300 miles (2090 kilometers). This covers over 900,000 square miles (1,500,000 square kilometers).

We meet three times per year in one of our member regions to discuss topics that affect Narcotics Anonymous and provide services such as Fellowship Development and Public Relations. We believe that by sharing our experience, strength and hope in the service area, we can better fulfill our primary purpose. We are a solution-based discussion forum dealing with topics from groups, areas, and regions.

II. Decision Making and Participation

The process that the Southern Zonal Forum (SZF) uses to invite a loving Higher Power into our decision-making process is consensus based. This allows for consideration of all viewpoints.

Ideas may be presented for consideration. Clarity on issues for which we would like to collect a group conscience allows for discussion. Discussion will then be heard, and the facilitator may ask if we have reached an agreement. The minority opinion should always be heard and considered by all participants. Where we are not in agreement, further discussion may then be necessary.

At each SZF, we maintain minutes. These may be referred to or reconsidered at any SZF.

The Southern Zonal Forum welcomes all addicts and is primarily comprised of RD's (Regional Delegates) and their alternates, regional trusted servants, and other interested members (such as home group members, GSR's and ASC members) from each participating Region within the Southern Zone. The viewpoints of these members should always be sought and carefully considered due to the fact that they represent the Fellowship in general within the SZF. Also, any NA members attending a SZF have equal participation privileges and should be encouraged to be a part of our consensus-based decisions. Only the RD or their Alternate can vote on business decisions.

Through an open exchange of ideas and experience and inviting our Higher Power in our decision-making process, the SZF can function in a manner that will allow us to schedule future events and not detract from our initial purpose. As we evolve, we know our Higher Power will continue to guide us in our goal to be a valuable asset and resource to our member Regions, and the addict yet to come.

III. Attendance at SZF by Administrative Body
